ABOUT AFS

Arham Freight System LLP (AFS LLP) is a dynamic logistics leader offering a diverse range of services, including freight forwarding, customs clearance, warehousing, project cargo movement, equipment leasing, and end-to-end logistics solutions.

Committed to being a global logistics solutions provider, AFS LLP emphasizes teamwork, innovation, and customer satisfaction.

Known for its innovative thinking, the company's global network enables seamless air and ocean freight consolidation, international and domestic road transportation, and value-added logistics services. AFS LLP's customer-centric approach and dedication to excellence position it as a reliable partner in the ever-evolving logistics industry, providing end-to-end solutions for a seamless and efficient supply chain.

MISSION

AFS LLP is committed to delivering reliable, end-to-end logistics solutions globally, prioritizing efficiency and client satisfaction.

VISION

To be the foremost and most trusted logistics partner, leading the industry with innovation, comprehensive supply chain solutions, and a commitment to global excellence.

VALUES

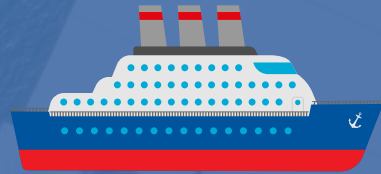

AFS LLP is driven by teamwork, innovation, customer focus, and leadership. Our culture emphasizes collaboration, continuous improvement, and client-centricity, forming the foundation of our commitment to exceptional service and global logistics advancement.

SERVICES

1. Sea Freight- LCL/FCL

Sea freight is a cost-effective and crucial method for global cargo transport. Its efficiency and capacity make it indispensable for transporting diverse goods internationally.

2. Air Freight

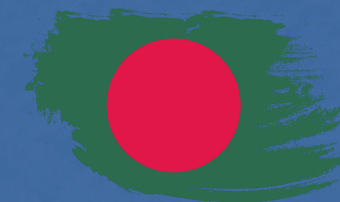

Air freight is a swift and efficient mode of transportation of goods globally. Utilizing aircraft, it offers rapid delivery, making it ideal for time-sensitive shipments and high-value cargo.

3. Road Transportation

Specialized logistics for over-dimensional cargo and heavy lifts, offering comprehensive road and train freight solutions with a focus on safety, reliability, and efficiency.

4. Indo-Bangla Trade

Facilitating seamless trade between India and Bangladesh, our services ensure smooth cross-border logistics, promoting economic exchange with efficiency and compliance.

SERVICES

5. Warehousing

Secure and efficient warehousing

Solutions tailored to meet diverse needs, optimizing inventory management and ensuring the safe storage of goods with a customer-centric approach.

6. Equipment Leasing

Providing flexible equipment leasing options,

we offer a range of logistics equipment to meet varied needs, enhancing operational efficiency and reducing upfront costs for our clients

7. Custom Clearance

Streamlining the customs clearance

process, our expertise ensures efficient and compliant clearance of goods, facilitating smooth international trade for our clients.

8. Project Logistics

Tailored project logistics solutions for complex

cargo movements, ensuring meticulous planning, coordination, and execution to meet project timelines and specifications with precision and reliability.
